- Material Handling/Warehouse Experience
- Forklift

Experience

2022-present	<u>Student, Indian Hills Community College, 525 Grandview, Ottumwa, IA</u> Studying Computer Software Development
2022-2022	<u>Temporary Employee, QPS Employment Group, Fairfield, IA</u> Temporary assembler at Hill Phoenix in Keosauqua, IA. Used power tools to assemble heated and refrigerated units.
2021-2022	<u>Tire Technician, Washington Discount Tire, Washington, IA</u> Drove Customers vehicles into and out of the shop Repaired, Balanced, Rotated and put on New Tires from Cars to Farm Equipment
2021-2021	<u>Gas Station Attendant, Cobb Oil, Brighton, IA</u> Stocked shelves, operated cash register, opened and closed the store, Counted money, cooked from a limited selection.
2015-2020	<u>Syspro Administrator Support, Traffix Devices, Inc., Fairfield, IA 52556</u> Went from an Assembler in Production to a Shipping Clerk in Shipping. The responsibility of receiving inbound shipments was given to me shortly after with a promotion and raise. Within another short time I applied for a Administrative Support role and was promoted with a raise again. I handled Inventory coming in and the shipments that left the plant, in their computer system. I frequently had to make emails and calls to the Corporate Office, as well as suppliers and other companies we worked with. Other random tasks came as the main administrator needed.
